Elements – World Premiere November 4, 2017 at The Graham Studio Theatre, NYC.

Choreography: Brenda R. Neville. Costumes: Yuliya Lobach. Photos: Yi-Chun Wu

'Elements' is an immersive and colorful world of movement, video, and image projections that brings the power and energies of the four elements - Air, Fire, Water and Earth to life. Set to music by Four Tet, Chopin, Christopher O'Riley, Max Richter, Penguin Station Café and Nicholas Hooper, the ballet unfolds in four sections – *Zephyr, Embers, Raindrops, and Geodes*.
